I feel exactly the same. You just made the painful process of all things job-hunting slightly less painful. In the past, I had been duped into forking over money for a PDF I"d worked on using a "free" tool just to free it from being held hostage. Now I"d love to fork over a couple bucks to you instead as thanks. It aint much but hey, that"s why I"m on Reddit looking for free alternatives to ...
