

A system which voters hold sovereign power

What is popular sovereignty based on?

Popular sovereignty is government based on the consent of the people. The government's source of authority is the people, and its power is not legitimate if it disregards the will of the people. Government established by the free choice of the people is expected to serve the people, who have sovereignty, or supreme power.

What is a republic government system?

Republic In a republic government system, the power also rests with the people, as they are in charge of electing or choosing the country's leader, instead of the leader being appointed or inheriting power. Broadly defined, a republic is a government system without a monarch.

What is a communist government system?

Communism A communist government system is usually based on a particular ideology of communism taught by Karl Marx or Vladimir Lenin. A single party or group of people usually runs communist states. In some cases, citizens of a communist state are given certain jobs or life duties in an effort to obtain collective citizenship for the state.

Who holds power in a monarchy?

Monarchy In a monarchy, state power is held by a single family that inherits rule from one generation to the next. In a monarchy, an individual from the royal family holds the position of power until they die.

How do electorates determine government policies?

Electorates have only a limited power to determine government policies. Most elections do not directly establish public policy but instead confer on a small group of officials the authority to make policy (through laws and other devices) on behalf of the electorate as a whole. Political parties are central to the election of officeholders.

What determines a country's choice of electoral system?

A country's choice of electoral system, like its conception of representation, generally reflects its particular cultural, social, historical, and political circumstances. Majority or plural methods of voting are most likely to be acceptable in relatively stable political cultures.
