So much of King of Scars is based on the aftermath of the events in Ruin and Rising and Crooked Kingdom, that if you don't read the first trilogy and the other duology, you will be spoiled for both.

The King of Scars Duology (including King of Scars #1 and Rule of Wolves, #2) The King of Scars duology should be read after the Grisha (aka Shadow and Bone) trilogy and the Six of Crows ...

Is King of Scars a Sequel to Six of Crows? While King of Scars might be mistaken as a sequel to the wildly popular Six of Crows, it is, in fact, a new chapter that extends the overarching ...
