

B9 energy storage ltd

What is B9 Energy Storage?

B9 Energy Storage Ltd is focused on green hydrogen production and Power-to-X. The company's innovative Power-to-X model and project portfolio straddles the power, gas, water, transport and heat sectors.

What is B9 energy storage doing at Ballylumford?

B9 Energy Storage's Ballylumford Power-to-X project, Larne, Northern Ireland - will receive £986,082 to mobilise an innovative 20MW Power-to-X project at Ballylumford. Green hydrogen produced by electrolyzers will be stored in underground salt caverns and used for transport and to displace natural gas in fuel blending trials.

What will B9 energy storage's 'power-to-X' project entail?

They will look to pair their heat batteries with household energy systems to tackle periods of low renewables generation on the grid. B9 Energy Storage's Ballylumford Power-to-X project, Larne, Northern Ireland - will receive £986,082 to mobilise an innovative 20MW Power-to-X project at Ballylumford.

Who is AECOM & B9 energy storage?

B9 Energy Storage has appointed global infrastructure consultancy AECOM as technical advisor and its team is delivering planning, policy and environmental services to support the scheme, as well as outline designs for landside infrastructure.

Who are B9 solutions?

B9 Solutions combines the knowledge and expertise from across the B9 Energy Group to offer a consultancy service that is, perhaps uniquely, derived from proven experience and hands-on involvement in the renewable energy sector for 20 years. B9 Solutions are also privileged to oversee the running of the very successful Granville Eco Park.

What is B9's current project?

Under a Strategic Partnership Agreement with NI Water, B9 is designing, procuring, and installing a hydrogen and oxygen ecosystem to support Northern Ireland's first 1MW electrolyser deployment. This includes H₂ & O₂ compression and storage and H₂ vehicle dispensing.

B9 ENERGY STORAGE LTD is a Private limited company (Ltd.) company based in 5 WILLOWBANK ROAD MILLBROOK INDUSTRIAL ESTATE, United Kingdom, which employs 1 people. The company started trading on 18 January 2011. The company registration number is NI605789, It's main line of business activity is Management consultancy activities other than ...
