

Best battery backup phone

Which phone has the best battery backup?

The iPhone 16 Pro Max is our choice for the best battery backup on a phone. If price is no obstacle, you should opt for Apple's latest flagship device. If you are on the Android side, the Galaxy S24 Ultra will serve you the best.

What is the best budget phone with long-lasting battery backup?

The Moto G Power 5G(2024) is our pick for the best budget phone with long-lasting battery backup. This battery-focused device, which can last you up to two days on moderate use, charges at 30W with a wired charger and at 15W with a wireless charger.

Which phone has the best battery life?

The iPhone 16 Pro Max is the best phone for battery life right now, followed by the Samsung Galaxy S24 Ultra at a close second. Both phones offer great cameras, bright displays, powerful performance, AI features, and a battery life that will last you an entire day on a single charge.

Which folding phone has the best battery life?

The OnePlus Open offers the best battery life on a folding phone. It will last you longer than the likes of the Samsung Galaxy Z Fold 6 and Google Pixel 9 Pro Fold. Also, the smartphone's big battery charges at 67W to deliver up to 75% charge in 30 minutes.

What is the least expensive phone battery life?

One of the least expensive entries on our best phone battery life list, the Moto G 5G(2024) proves once again that Motorola's G series of budget phones can be counted on to last a while on a charge.

Which iPhone has the longest battery life?

We are putting the iPhone 15 Pro Max as our top pick here for being not only one of the best flagships, but also one of the phones to offer the longer battery life nowadays. You do not get the Apple iPhone 15 Pro Max for its Titanium frame. Or its 5x telephoto camera, or USB-C port, or even the console-level.
