"Which one is the best" is obviously a question format, so it makes sense that " which one the best is " should be the correct form. This is very good instinct, and you could even argue that the grammar is good, but at best it's unnatural. When we replace the superlative "the best" with the normal version, we get this:

CVPR	2025	13,008	2,878	22.1%
