

Best solar company bethel ct

Who is the best solar company in Connecticut?

SunPower made the top of our list, both for their highly energy-efficient solar panels and commitment to customer service. See which other companies made our list of the best solar companies in Connecticut, plus which solar incentives the state offers to help you save money when switching to solar.

Who is the best solar company in Vermont?

SunPower is our top-recommended solar company in Vermont. It offers some of the most efficient solar systems available, guaranteeing long-term performance and energy savings. We also like that it uses in-house components to create a streamlined system designed for peak production.

Are solar installers competing for business in Connecticut?

There are dozens of solar installers in the state competing for business. With the state's generous financial support for going solar, Connecticut residents can increase their home's value and save tens of thousands of dollars on electricity costs while doing their part to combat climate change.

Which solar company has the best customer service?

Sunrun is one of the largest solar providers in the country, with more than 15 years in business and a current A+ rating with the BBB. Green Power Energy (GPE) is our pick for best customer service. Founded in 2009, this regional provider is relatively young and small enough that customer service experiences are hands-on and personalized.

Does Connecticut Green Bank offer a solar loan program?

The Connecticut Green Bank administers the Smart-E Loan program, which offers long-term, low-interest financing to homeowners. Meanwhile, Capital for Change (C4C) has the Low Income Multifamily Energy (LIME) Loans program, which assists building owners installing solar energy systems on low- and moderate-income multifamily properties.

Should you buy solar panels from a national installer?

National installers might offer lower costs because of their greater equipment purchasing power, but they likely purchase solar panels from only one or two brands.
