Blue Heron Center is owned and operated by Reiki Master Teacher Joan Osler. ... Joan has been practicing Reiki and many other energy healing modalities since 2000. Some of those include meditation facilitator, student of healing touch, EFT (Emotional Freedom Technique), TAT (Tapas Acupressure Technique). ...

Like many Sea Ranch homes, the Blue Heron was designed to integrate the indoor and outdoor environment using rustic wood, stone, multiple decks, window seats, and lots of light. While retaining these classic Sea Ranch features, the Blue Heron is newer than most homes at Sea Ranch, built in 2002 by notable architect Ted Smith.

The customer experience sets Blue Raven Solar apart, and we believe that our team in Kansas are among the best. Going solar is an extensive process, but Blue Raven Solar is here to make sure that every homeowner is informed each step of the way.
