## Blue s clues solar system song

The Outer Space Song is a song that performed by Polka Dots himself from the episode Meet Polka Dots!, while Notebook Friend is gone forever. In outer space, Among the stars The planets race, We can fly High, In outer space! We we're playing in the den Counting down from number ten Then I looked at you, My friend And we started to pretend I can go anywhere, I can do ...

The Sun is a hot star. He lives in outer space, specifically the center of our solar system. The Sun knows all about the solar system and every planet in it from &quot;What Experiment Does Blue Want to Try?&quot; the audio cassette Blue's Treasure Hunt PC and the audio CD Blue's Biggest Hits. The Sun is yellow. He wears black star-shaped sunglasses. His mouth is red. He has a bright yellow ...

What Experiment Does Blue Want to Try? is the 4th episode of Blue's Clues from the Season 2. It was the 24th to be aired/produced. Blue and Steve are experimenting by playing sink and float, but Blue wants to try another experiment. We play Blue's Clues to figure out which experiment Blue wants to try next. While looking for clues we examine items outside through a magnifying ...

Lyrics to Blue's Clues Planets: The Sun's a hot star, Mercury's hot, too. Venus is the brightest, Earth's home to me and you. Mars is the red one, And Jupiter's really wide. Saturn's got those icy rings, And Uranus spins on its side. Neptune's really windy,
