

Can a low box bed be used for storage

Are box beds good for small spaces?

Both supremely inviting and incredibly practical, box beds are the perfect solution for small spaces. We've gathered our favourite design ideas plus advice from the designers who do them best (designed for grandchildren and the odd guest) as a "theatrical and whimsical space."

What are the best storage ideas for a box bedroom?

We love the clever storage ideas in this tiny box bedroom. The day bed can be used as a sofa or a guest bed, and can even be pulled out to turn into a double! Meanwhile, under-bed drawers, hooks, a hatstand and a railing are all unconventional but extremely useful storage that looks great too! 4. Box room bedroom storage ideas

Are storage beds a good idea for small bedrooms?

Storage beds are one of the most obvious storage hacks for small bedrooms, but they're also among the best. While every kind of space-saving bed will open up space in your bedroom, storage beds can give you as many drawers as a dresser. We like the upholstered look of the Kelly Panel Bed Frame by DG Casa.

Is underbed storage a good idea?

Underbed storage is perfect for small bedroom storage ideas, but if the space under your bed isn't as tall as you'd like (or need) it to be, then you can increase it by adding bed risers.

Is under bed storage a must-have for small bedrooms?

Naturally, space-saving under bed storage is a must-have for smaller bedrooms. Jonathan Warren, bed specialist and director at Time4Sleep, notes: "The bed tends to be the largest item in a bedroom, and in a particularly small space it's important to consider how you can be savvy with storage."

Can you put a box bed in a room?

If you're wondering if you have the space to add one at home, most standard beds in the UK are 190cm long, so if your room is around two metres in width, you should be able to squeeze one in. Box beds are particularly handy in attics and spaces with pitched ceilings, as you can build the box out from the ceiling, giving the illusion of more space.

Adding shelves, lighting and cushions can make the box bed into a self-sufficient world of its own, which will be particularly appealing for children. "A little locally switched wall light to the side of the headboard is also ...
