

# Can a storage cabinet be placed in the flower mounting room

Do you need a flower room for a country house?

A flower room may sound like the ultimate luxury for a country house, but in reality these rooms need to be as practical as possible. A stone floor with good drainage makes sense, as there will be plenty of drips and spills, and you'll need to make sure you have a wide, generous sink for keeping flowers in water.

Where should a plant stand be placed?

It is recommended to put the heavier flower pot underneath and the lighter flower pot on the upper layer shelf. Suitable for living room, corner, window, corridor, balcony, courtyard and garden. This tiered foldable plant stand constructed with eco-friendly varnish treatments makes the plant stand shelf surface smooth.
