

Can people live in Japanese lockers

Zhihu

Can foreigners live in Japan?

Foreigners can live in Japan, although legally residing in Japan is more difficult than doing so in other countries. Once you commit to one of the "valid" reasons for living in Japan (the most common ones are working and studying), you will need both the knowledge and the patience to navigate the complex bureaucracy of Japan's immigration system.

Are there station lockers in Japan?

Despite being banned for security reasons in many countries, Japan is in love with station lockers. There will be some at pretty much every station you visit, even in the countryside. Stations in Tokyo often have great walls of them with multiple locations (both inside and outside the ticket gates), so you can usually find an empty one.).

Are there lockers in Tokyo?

Yes! Despite the risks and the weird uses, there are still thousands of lockers in Tokyo. You'll find them in multiple sizes in train and bus stations, in and around busy event spaces, museums or galleries, near sightseeing spots, and occasionally on random shopping streets.

Is it safe to live in Japan?

Welcome to Japan. We hope your stay in Japan will be a safe and comfortable one. There are a few things to keep in mind to help your life in Japan to be smooth and trouble-free. The following covers some of the very basic information you will find useful in starting a new life in Japan.

What if I don't live in Japan?

When you don't live in Japan you see all of the wonderful things you can buy, but you can't get it in your home country so easily. Depending on where you are from it's possible that in Japan your space is much smaller and you can't buy all of that cool stuff.

Can foreigners move to Japan?

Historically, moving to Japan has been quite difficult for foreigners. In 2016, less than 2 million of Japan's 127 million population (1.5%) were foreign citizens. However, with Japan's population now in decline, the Japanese government has made it easier for expats to move to Japan.
