

# Canadian 390w solar panels

All you need to know about the Canadian Solar Inc. Hiku Mono CS3N-390MS solar panel including rating, cost, efficiency, and warranty terms. Skip to main content. ... Rated Power: 390W Output Warranty Term: 25 years, ...

Canadian Solar panels come with a 25-year linear power output warranty and 15-year product warranty on materials and workmanship. The manufacturer has offices all over the world which makes getting customer support easier. Size. 79.6&quot; x ...

This Canadian Solar panel produces 390 W of power at 20 percent efficiency. High levels of energy output are reached by utilizing the most recent innovations in the solar sector. A more efficient panel produces more per square foot and pays for itself sooner.

Canadian Solar CS3N-390MS, PV Modules, 390W, Black Frame/Black Backsheet, MC4. Canadian Solar's new High Power Dual Cell Mono-PERC Module, with shade tolerant half cell technology and an additional row of cells, ...

Overview This product has a minimum quantity purchase of 10 panels due to safety in shipment Introducing the Canadian Solar 390W Mono-crystalline Solar Panel in sleek black. Experience minimal power loss in cell connection ...

&#183; CS-series solar modules have been qualified for Application Class A (equivalent to Safety Class II requirements). Modules rated under this class should be used in systems operating at voltage above 50 V or power above 240 W, where general contact access is anticipated. &#183; Canadian Solar Inc. modules have been certified

This 400 W Canadian Solar solar panel also comes with a substantial 12-year product warranty. Enhanced frame design. This model's construction makes it perfect for both residential and business rooftops. Durability and strength are ...

Canadian Solar is one of the 5 biggest solar panel manufacturers in the world, with 20 years in business, and SolarReviews has named the company the fifth-best solar manufacturer of 2024. The company's residential solar panel lines are HiKu, HiKuBlack, and HiKu6, giving homeowners options in terms of performance and price.

This page contains information about the Canadian Solar CS3N-390MS (390W) solar panel. To compare this to other PV modules, click here. DC Electrical Characteristics. STC Power Rating 390W ; PTC Power Rating 367.93W 1; STC Power per unit of area 17.8W/ft 2 (191.8W/m 2) Peak Efficiency 19.18% ;

Shop Canadian Solar HiKu6 All-Black Series CS3N-390MS 390Watt 132 1/2 Cells BoB Monocrystalline 35mm Black Frame Solar Panel online or call us, Solarflexion, at 800-942-2424 for your solar needs.

MORE POWER 390 W ~ 415 W CANADIAN SOLAR INC. is committed to providing high quality solar products, solar system solutions and services to customers around the world. No. 1 module supplier for quality and performance/price ratio in IHS Module Customer Insight Survey. As a leading PV project developer and manufacturer of solar modu-

Canadian Solar 390W Solar Panel 132 Cell CS3N-390MS HiKuBlack Clearance. \$0 (2) Q& A. Specification Compare; Rated Power Output 390 W; Voltage (VOC) 44.1V; Number of cells 132; Cell Type Monocrystalline; All Canadian Solar products All 390 Watt Panels . Attachments. Data sheet.PDF. Specification. Length: 76.4in: Width: 41.3in: Rated Power Output :

This 400 W Canadian Solar solar panel also comes with a substantial 12-year product warranty. Enhanced frame design. This model's construction makes it perfect for both residential and business rooftops. Durability and strength are increased by using a strong, robust frame built from anodized aluminum. A significant snow load of up to 5400 Pa ...

With Canadian Solar's industry leading Half Cell mono-PERC cell technology and the innovative LIC (Low Internal Current) module technology, all customers can now have high power mono modules up to 400W. The CS3N-390MS is an All-Black mono module has dimensions of 1940 mm x 1048 mm which is similar in size to other Canadian Solar 132 cell modules. This is an ...

Explore Canadian Solar's innovative solar solutions for residential, commercial, and industrial applications. With cutting-edge technology and a commitment to sustainability, Canadian Solar offers reliable and efficient solar panels and systems. Discover the power of solar energy with Canadian Solar today!

These Canadian 390W Bifacial cracked back solar panels have glass intact on the front side, and cracks in the back side glass. These do not come with the mfg warranty but come with our 1-year warranty. Add Solar power to you're RV, Van, or trailer for longer trips without electricity. Please see pictures for reference on the cracked back glass.

A bifacial solar panel BiHiKu from Canadian Solar is perfectly suited for building high-output residential systems and large solar projects. Rear side of a BiHiKu provides up to 30% more power output, depending on the reflectivity of a surface. Features: 390W power output; Up to 30% more power from the rear side; 144 half-cut polycrystalline cells

Canadian Solar 390W Solar Panel 132 Cell CS3N-390MS HiKuBlack Clearance. \$0 (2) Q& A. Specification Compare; Rated Power Output 390 W; Voltage (VOC) 44.1V; Number of cells 132; Cell Type Monocrystalline; ...

## Canadian 390w solar panels

Canadian Solar 390W Solar Panel 132 cell CS3N-390MS HiKuBlack is designed to improve efficiency and reliability. Look into detailed descriptions at A1 Solar Store. Menu; Store. ... Each cell in these Canadian Solar panels is completely black, so the panel is ...

These panels are only located at our Gilbert, AZ store. New Canadian Solar 390W 132 Half Cell Solar Panel. Module efficiency up to 19.4%. 132 half-cell monocrystalline module. Comprehensive LID/LeTID mitigation technology, up ...

Overview This product has a minimum quantity purchase of 10 panels due to safety in shipment Introducing the Canadian Solar 390W Mono-crystalline Solar Panel in sleek black. Experience minimal power loss in cell connection compared to standard modules, alongside enhanced shading tolerance and lower internal current, re

Best online prices for Canadian Solar solar panel. Sort by: LG Solar. i. Model # LG335N1K-V5. 4.79 930 Reviews. Best unit price \$320.00 (\$0.96 per watt) Installed Best system price Installed 5.0kW system \$12,721.85 (\$2.53 p/w) Compare local offers &#215;. ...

Canadian Solar 390W Mono-crystalline Solar Panel (Black). Low power loss in cell connection compared to conventional modules. Improved shading tolerance. Lower internal current, lower hot spot temperature. Heat-strengthened glass minimizes micro-crack impact. Full 25-year workmanship &

Power rating (W): 390W to 505W. Efficiency (%): up to 22.5%. Panel strength: High (5400 to 8100 Pa - Front load) Price range: Med \$\$\$ ... The current generation HiKu6 and HiKu7 monocrystalline PERC split-cell panels from Canadian Solar have proven popular among installers as a quality, affordable, high-performance option backed by good support ...
