Which solar companies in Salem offer a solar lease?

Plus, they guarantee the energy output from the system you lease, which is an additional protection that other companies don't always provide. SunPower and other similar leases are offered by a number of local solar companies in Salem and my pick of these are: Purelight Power is the top-rated and largest solar company in Oregon and Iowa.

Who is Salem solar experts?

Are solar loans a good idea in Salem?

They should all be in jail. Solar loans are popular among homeowners because you don't have to have the money for the installation upfront, but you get better lifetime savings than with a leased system. You also get to directly use incentives (tax credits etc) available in Salem, rather than a leasing company retaining them.

What solar incentives are available in Salem?

The most significant incentive is the 30% federal solar tax credit, available to any taxpayer in the country when they purchase solar panels or battery storage. Some states and utility companies offer additional solar incentives, saving homeowners even more money. Here are the solar incentives available in Salem:

Does a solar installation company offer a warranty?

Any reputable solar installation company will offer a workmanship or labor warranty that covers any damages that may occur during the installation process. We recommend using an installer with at least a ten-year labor warranty. Some installation companies, like SunPower, include a system performance guarantee.

How do I choose a solar company?

Solar companies that are licensed, insured, and hold certifications take their business seriously. Look for companies that have NABCEP Certified professionals or certified electricians on staff and are properly insured, so their workers, and you, are protected. Financing options
