

Company logo that is a solid blue circle

Why is a blue circle a symbol of a company?

If we talk about the corporate style of the company and its visual identity, then a blue circle was chosen as the emblem. Inside it is the letter M, for the stylization of which a very interesting technique was used. The letter is formed by two triangular figures with arc-shaped holes.

What is a circle logo?

The circle is one of the most widely used shapes in logo design, simply because round logos are evocative, instantly recognizable, and emotionally engaging. Capable of instantly conveying important messages about a company's brand identity, circle logos connect with us on a psychological level.

What is a round logo & a blue logo?

The round logo, in principle, conveys harmony and integrity of the brand concept and the product that is offered to customers. The blue color is associated with depth and a thoughtful approach. It is these values that are embedded in reliable, practical, and durable vehicles.

What brands use a circle logo?

Brands like Starbucks, Audi, and Mastercard built their identities around these memorable emblems decades ago and remain pillars of their branding today. Other companies like AT&T and Firefox have also tapped into the power of the circle logo more recently, finding great success in adopting this timeless shape for the digital age.

What is a black circle logo?

The circle is the main concept of the logo and ultimately creates an engaging and memorable icon for the social media brand. CBS, the American television and radio network, is known for its sleek black logo. The logo is bold and iconic, featuring a large black circle with a small black circle inside, placed on a white element.

What does a blue sphere mean on a logo?

In the early 80s, a blue sphere was used in the brand's logo. However, even before that, the circle was present on the emblem of the company, acting as a frame. If we talk about the symbolism of the logo, these are: a sense of security. Rotring may also indicate that the company emphasizes customer loyalty in its communication policy.
