

Experts said developing energy storage is an important step in China's transition from fossil fuels to a renewable energy mix, while mitigating the impact of new energy's randomness, volatility, intermittence on the grid and ...

As renewable energy uptake rises, it will be crucial to monitor high-growth areas of expansion, like offshore wind and distributed systems, full-cost factors of incorporation like storage and smarter grids, as well as the flexibility ...

Vivo Energy Guinée a procédé à l'ouverture d'une nouvelle station Shell à Tombolia dans la commune de Matoto en haute banlieue de Conakry ce jeudi 11 mai 2017, a constaté ...

AI-driven ECMs reveal retail's drive to be resilient, innovative, and future-proof. By transforming retail facilities into adaptive, energy-wise spaces, these tools tell a broader human story: about ...

Latest news on energy storage projects, BESS, capacity expansion, and regulatory updates across Europe, US & Canada, Latin America, and Asia Pacific. Discover how energy storage solutions support renewable energy ...

Zenobe Energy is the largest independent owner and operator of battery storage in the UK. It buys and manages grid-scale batteries for its commercial customers, such as utilities and electric-vehicle operators.

The feasibility study for Guinea-Conakry's Kogbdou-Frankondou hydropower project has been approved, marking a key step toward boosting the country's energy capacity. The decision ...

Making 24/7 renewables a reality through Thermal Energy Storage. Harvest Thermal develops a control system for home use that integrates heating, hot water, and cooling with thermal storage. Cheesecake Energy is ...

Superconducting magnetic energy storage system (SMES) is a technology that uses superconducting coils to store electromagnetic energy directly. The system converts energy from the grid into electromagnetic energy ...

General Mamadi Doumbouya, Transitional President, Guinea-Conakry has authorized the construction of a 40 MW solar plant in Kindia. Once completed, the Koumaguéli Solar Power Station - the first solar PV facility in the country - ...
