

Dr solar power

Who is Doctor Solar?

Doctor Solar is a character first created by writer Paul S. Newman and editor Matt Murphy in October 1962. He made his first appearance in Doctor Solar, Man of the Atom #1 published by Gold Key Comics. Doctor Solar is an interesting character due to the fact he's ran under a total of five publication companies throughout his comic book tenure.

Who was the original Doctor Solar?

The original Doctor Solar was a physicist named Dr. Phillip Solar who attempted to assist fellow worker Dr. Bently avert an imminent meltdown of the nuclear power plant where they worked. It had been sabotaged by Dr. Rasp, agent of an evil mastermind named Nuro.

When did Doctor Solar come back?

For this purpose, Doctor Solar, Man of the Atom was restarted at #28 (cover date April 1981) with Roger McKenzie writing and Dan Spiegle drawing. This initiative was short-lived and the series was cancelled again after only four issues. Solar next appeared in 1991 when Valiant Comics restarted the series with a new premise.

Why did Doctor Solar create a Wish Machine?

Doctor Solar designed a wish machine that turned him into a being of pure energy, able to control energy and having the powers of a god. However, he later discovered that the machine had gone haywire and exploded because it was his own wish to become Doctor Solar, the childhood comic hero.

How many times does Doctor Solar appear in Gold Key?

Character #187; Doctor Solar appears in 128 issues. Gold Key and Dark Horse's version of Dr. Solar. In the original Gold Key comics, his full name is given as Phillip Solar. He is a brilliant, highly trained nuclear physicist. His area of specialization is matter-to-energy conversion.

Why is Solar an appealing character?

Solar is an appealing character due to his unique publishing history. He's had a tenure with a total of five publication companies: Gold Key, Valiant Comics, Malibu Comics, Image Comics, and Dynamite Entertainment.
