There is some economy of scale with these things so thought I would go all-in and get the multi-head system as a bundle next. The package showed up and I first used the bristle broom one time on asphalt driveway. At the end of 10 minutes, the power head stopped. Limited options so I changed battery, no go. Charged the first battery, no go.

The Snow Shovel Kit is a part of the EGO POWER+ Multi-Head System. Directional control of its up to 25-foot throwing distance makes it unlike any other cordless snow shovel on the market. The Snow Shovel attachment cleans a 12-inch-wide path, making it great for snow removal on sidewalks, driveways, and decks.
