

Friends solar company

Who are the best solar installation companies?

We selected Freedom Solar, Blue Raven Solar, and Palmetto as our top three choices for solar installation companies, with Freedom Solar getting our top vote. See how we compared these companies and other top-rated providers in our review.

Which solar companies offer the best in-house financing?

Financing Options (12 out of 15 points): Blue Raven offers some of the best in-house financing of the companies on this list, but it limits this financing to solar loans. You may want to consider a different provider, such as Sunrun, if you're looking for a lease or PPA.

Is Freedom Solar Power a good company?

Freedom Solar Power had a 92% satisfaction rating, so it scored a 9.2 for this aspect. Created a unique percentage system to reflect how buyers with different priorities might weigh the importance of each aspect. We then added these weighted scores together to get a final score in that category for each company.

What services does a solar panel company offer?

Solar panel manufacturing and installation services. Proprietary anti-soiling, self-cooling technology. Battery backup and electric vehicle charging station solutions. 30-year panel warranty. Serves the Bay Area. Residential and commercial solar panel installation. Full-service solar panel installation in the Los Angeles area.

How do solar companies make money?

Solar companies employ a variety of sales strategies, from in-house sales teams to third-party companies. Tesla's solar arm relies heavily on online inquiries. While there are industry guidelines for consumer protection, tactics vary from company to company and, as the report from Detroit showed, they can verge on dishonesty.

Which solar company has the best customer satisfaction?

Our pick for best customer satisfaction is Blue Raven Solar. The company scored 4.3 stars out of 5, has an A+ rating through the BBB and has high customer reviews. Blue Raven Solar started in 2015 and now has more than 3,000 team members working to provide top solar services. Mobile App? Free Energy Consultation?
