

How many years does Trina Solar panels have a warranty

Does Trina Solar have a warranty?

The Vertex and Vertex S panels have a longer 15-year product warranty period with options to extend up to 25 years, while the Vertex S+ panels are backed by an impressive 25-year product warranty and 30-year performance warranty. Trina Solar has many support/service centres across the globe, with the Australian service office based in Sydney.

How long do Trina Solar panels last?

For most solar panels, it's 25 years, but for their dual glass panels, Trina provides a 30 year product warranty. In addition to these two warranties, you are also protected by Australian Consumer Guarantees. This is a good thing because even the best solar panel warranties I've seen provide much less protection than our Consumer Guarantees.

Does Trina have a warranty?

Trina plans to increase its production by roughly 40% to around 50GW of panels this year. Trina provides their panels with both Product and Performance warranties. Product Warranties: These cover defects in panels due to problems with their manufacture. The defects may be obvious from when they're first installed or become apparent with use.

What if Trina Solar takes defective products back?

Trina Solar takes the defective products back, the goods property of these products shall belong to Trina Solar without any limitation. The Global Limited Warranty periods as defined in Sec. 3) a), b), c), d), e) shall not extend or renew upon the repair or replacement of defective Products by Trina Solar. The Global Limited Warranty

Do solar panels come with a warranty?

Solar panels in the Australian market come with a performance warranty and a product warranty. Solar panel manufacturers typically offer product warranties ranging from 10-12 years to cover manufacturing faults that may lead to damage or malfunction.

Are Trina Solar panels good?

Trina Solar have a reputation for providing a good combination of affordability and reliability. Trina also provides good after-sales support for their products. If you have a problem with their panels under warranty, you will likely receive a satisfactory response. But this support is not thanks to the quality of Trina's warranties.
