What are ionic lithium batteries?

Built to last, Ionic lithium batteries pack a powerful punch. They're engineered with Lithium Iron Phosphate (LiFePO₄) and built tough. They have double the power of standard lead-acid batteries with half the weight!

Are lithiumhub ionic batteries good?

LithiumHub's Ionic batteries have quickly become a favorite for those in the know. With double the power of lead acid cells, these guys are built tough and perfect for deep cycle applications. If you're looking for long-lasting value, then look no further than our Ionic lithium batteries.

Are ionic lithium batteries a good choice?

Ionic lithium batteries are a popular choice for boaters, anglers, RVers, and other outdoorsmen. They provide long-lasting power with consistent output. They're the perfect choice for seasoned pros or weekend warriors! Sick of nonstop battery maintenance? An Ionic lithium battery is the answer.

Are ionic batteries better than other batteries?

Our starter batteries even feature an Emergency Start function. Ionic lithium batteries offer longer lifespan, higher discharge rate, and more value than other battery types. They work harder and last longer. With our 11-year warranty, on select Ionic batteries, and free shipping, you can be sure you're getting the most bang for your buck.

Do ionic lithium batteries need maintenance?

An Ionic lithium battery is the answer. Lead acid batteries must have constant maintenance to prevent damage. An Ionic lithium battery has zero maintenance because there's nothing to do except recharge. You can never be too careful with your batteries. That's why we offer status monitoring for our Ionic lithium batteries.
