Lincoln Cares is the City of Lincoln's voluntary donation program administered through your LES bill. With Lincoln Cares, you can make a \$1 per month contribution to help fund city parks and recreation projects, libraries, older-adult programs and more.

Lincoln Electric was founded on December 5, 1895, in Cleveland, Ohio, U.S.A. An initial \$200 investment was used to develop and commercialize a unique, direct current electric motor for industrial applications. What started as a spark of ingenuity flickered and gained momentum. By 1911, John C. and James F. Lincoln invented and launched their ...

Welding helmets from Lincoln Electric are auto-darkening and feature 4C lens technology. VIKING welding helmets provide a filtering lens with the clearest view of the welding puddle and is available on the 1840, 2450 and 3350 series helmets.

Lincoln Electric offers everything you need for your welding & cutting, filler metals, automation, weld fume control and safety & ppe needs. Home Products. Lincoln Electric Products. View our product offerings below. Equipment. Welders, training tools, fume control systems and other gear to promote quality and efficiency on the job site.
