

Lithium pro marine battery

Are ionic lithium marine batteries good?

Well, Ionic lithium marine batteries can do the same thing. Unlike many other types of batteries, lithium marine batteries can maintain their charge for years. They maintain their charge even if you put them in a storage shed and don't use or keep them charged.

How long do lithium marine batteries last?

Unlike many other types of batteries, lithium marine batteries can maintain their charge for years. They maintain their charge even if you put them in a storage shed and don't use or keep them charged. Most batteries weigh down your boat and are hard to move around if they need maintenance.

Do lithium marine batteries produce the same amperage?

Comparatively, lithium marine batteries continue to produce the same amount of amperage even once they reach below 50% battery life. Also, you can fully drain lithium batteries before you need to recharge.

Which lithium-ion battery is best for saltwater fishing?

A recent introduction that offers saltwater anglers an expanded choice in this product category is the Lithium Pros M3110-S 12V starting battery. Although the new M3110-S is listed a 31-Group marine battery, the tapered profile of these lithium-ion 31's frequently fit in the footprint of a 27-series battery tray.

Why are lithium pro batteries better than lead acid batteries?

Lithium Pro batteries are superior to lead acid batteries because they offer a competitive advantage. They do everything a lead acid battery can do, only faster. Lithium Pros is a leader in the industry of bringing all the benefits of lithium ion to a boat without the headaches. Save weight, save space, go faster, go further with Lithium Pros in your boat.

Why are Lithium Pro batteries popular?

Lithium Pro batteries are popular among many of the world's top anglers because they offer a competitive advantage. Lithium Pros batteries do everything a lead acid battery can do, only faster. Lithium Pros is a leader in the industry of bringing all the benefits of lithium-ion to a boat without all the headaches.
