

Longi photovoltaic panel retail

Where can I buy LONGi Solar panels?

Solarity is one of the leading distributors of LONGi Solar solar panels, which offer low LCOE and minimal degradation. Use our wholesale services including shipping anywhere in the world.

How much power does a LONGi Solar panel have?

Power: 375W Longi Solar Panels. Finish: A Longi Black Spilt-Cell panel with a white backsheet. Cell Type: Monocrystalline. Number Of Cells: 120 Solar Cells. Maximum Efficiency: 20.3% Module Efficiency. Technology: A high efficient Low LID Mono PERC with Half-cut cell technology.

Who are LONGi Solar?

Producing highly efficient, cost-effective solar panels on a global scale. Driven by advanced technologies and over 18 years of experience, Longi Solar are Monocrystalline specialists. As the largest supplier of Monocrystalline silicon wafers in the world, Longi supply cells to near enough 50% of the solar industry.

Are LONGi Solar certified?

We Are Certified! Founded in 2000, Longi Solar are a world leading mono-crystalline solar module manufacturer. Producing highly efficient Solar Panels.

Does Deege solar install LONGi Solar panels?

Deege Solar have an extensive portfolio of Longi Solar Panel installations. From 375W Longi Black Solar Panels to 440W we have installed a large variety of models. If you are interested in learning more about Solar Panels from Longi Solar, simply get in touch.

Why should you choose LONGi Solar panels?

High efficiency modules supplied by LONGi have been applied widely across the globe from grassland on high lands, deserts, water ponds to households. The solar modules benefit customers and local economies with high value advantages of greater efficiency, lower light degradation and higher reliabilities.

Longi's all black Hi-MO 6 425W improves power generation capacity providing a great power to size ratio and excellent performance - achieving 21.8% efficiency. The product family is suitable for both residential and C& I rooftop systems.
