

Lush shampoo container solid

The pH level of shampoo is necessary to consider when purchasing a shampoo. A shampoo with a pH level that is too high or too low can strip the hair of its natural oils and lead to dry, brittle hair. By following these simple ...

Everyone's heard the phrase "natural beauty," but when it comes to hair, just how natural is your routine? If you've started seeing solid shampoo bars packed with grains, seeds, ...

Curious about the latest updates on Lush Shampoo Bars? Explore "What Lush Shampoo Bars Are Discontinued" to uncover the discontinued favorites, new arrivals, and what's next in eco-friendly haircare. Stay in the ...

When it comes to eco-friendly travel, choosing the right solid shampoo bar can make a real difference--both for your grooming routine and the planet. These bars are designed to be ...

Lush's henna hair dye is a natural alternative to chemical dyes. It is a messy process, but it is easy to use and purchase. The henna comes in blocks, which are melted down and applied to ...

As I run my fingers through a client's hair, feeling the texture and assessing its needs, I'm reminded why I became so fascinated with Lush's shampoo bars. These little discs of haircare ...

A shampoo bar is a solid bar of soap used to cleanse the hair. Unlike traditional shampoo, a liquid, a shampoo bar does not contain any chemicals or detergents. This makes it a more natural option for those looking for an ...

It's not something I particularly like to share, but I've had dandruff issues for the last few years. After testing different pomades and hair care routines, I eventually started looking for an anti-dandruff shampoo. ...
