Quickly remove oxidation and scratches while you let the drill provide the muscle. Remove oxidation. Remove scratches and swirls.

Meguiar's solution is the DA Power System which brings the same DA power to your home garage by turning your drill into a professional grade Dual Action Polisher. By letting your drill do the work, you can now wax your car in just 15 minutes with far better results than hand or orbital polisher applications.

On the "consumer" side of the market, Meguiar's in 2013 introduced the DA Power System - a small, drill attachable, forced rotation DA polisher marketed through mainstream retail channels and intended for beginners and those on a limited budget. Since this tool is exclusively usable with 3-4" pads, it is somewhat impractical for use ...
