

Ovo energy your log

I have just taken over a new premises for my business, I need to change my meter from single phase to economy 7 as landlord has installed dimplex storage heaters. can you change my meter? will there be a charge for this as have ...

Energy suppliers have to evolve with the further introduction of renewables that give rise to these opportunities and benefits. I will upvote on the basis that OVO will introduce HH rates to ...

Even if your energy account is in credit, sometimes your Direct Debit payments still need to increase. This could be the case if we've worked out that your OVO account is likely to have a debt balance long term - based on how much ...

Hi, I've been sent an ovo code by text to use at a new key shop/ stockist to get a new key to put in my prepayment meter. (Having a key posted is not an option) All the shops in a wide area that ...

Welcome to the OVO Forum @Mike Gregory - Always great to see a new face around here! These links, in the callout above, are just for reference - helping customers to understand what app's of ours we're referring to.

Hey @Belinda5 Would you be able to share a screenshot of the email you've had? @NathanEV Blastoise186 has left some good advice on this, in June we started inviting eligible customers ...
