

# Perth solar companies

As WA's leading residential solar installers, you've possibly seen our installation teams out on the roads or doing installs. We are currently doing 60+ installs a week around Perth and Regional WA, that is more than 3,000 installs a year!

We want to be the leading company in Perth, selling the best systems and top-quality equipment." Bottom Rated Perth Solar Installers? In this series, we were originally going to publish the bottom 5 solar companies in each Australian capital city according to ratings on the SolarQuotes website. But we decided to keep these posts positive.

Additional assurance: Perth Solar Warehouse technicians are Solar Accreditation Australia-certified, State [WA] licensed electricians and manufacturer-certified installers. Remember, if your product isn't installed to manufacturer specifications, there is no manufacturer warranty, regardless of a person's qualifications.

At West Coast Solar, we are not just an average energy company. We are a pioneer in making Western Australia environmentally friendly. With our experienced staff, top-quality equipment, and dedication to customer satisfaction, we shine a light on your energy opportunities and guide you towards the true potential of solar power.

When it comes to installing a solar system in Perth, you should be thinking long-term. There's no use getting cheap solar panels put on your roof by an inexperienced company if they end up breaking down after only a year. At Renew Energy, we focus on doing things properly - installing solar PV systems in Perth that stand the test of time.
