

One of the world's most influential philosophers here considers the ethical issues surrounding globalization. Peter Singer discusses climate change, the role of the World Trade Organization, human rights and humanitarian ...

Reading Peter Singer's *B*Ethics in the real world^ I was wondering about this question. The book is an anthology of short columns which Singer has written for magazines. In an introductory section, Singer debates general ethical issues, such as the status of moral judgements and the possibility of moral progress.

Over Skype, Peter Singer is the consummate philosopher: calm, reasoned but possessing a distinct alacrity when answering questions pertaining to his work. It is striking that such a rational mind was the architect of Effective Altruism, a mode of thinking that he considers both a philosophy and a social movement. At first glance, one could [...]

Peter Singer is one of the world's most influential living philosophers, whose ideas have motivated millions of people to change how they eat, how they give, and how they interact with each other and the natural world. ... Say, you, Peter Singer, you're programming a driverless car and you're in charge. Ideally, you would like to program ...

Peter Singer Instead, I'm looking for new ways of communicating my ideas - more specifically, through Substack and a podcast I'm planning. Perhaps you've heard some call me the "world's most influential living philosopher."

5 days ago; The controversial philosopher discusses societal taboos, Thanksgiving turkeys and whether anyone is doing enough to make the world a better place. Podcast Episode ; The ...

Book by Peter Singer, 1981. 11 Copy quote To give preference to the life of a being simply because that being is a member of our species would put us in the same position as racists who give preference to those who are members of their race.

*The Solution of World Poverty* by Peter Singer goes into detail about how we should act versus how we normally act. We tend to judge people for their actions of not helping the poor, when we do the exact same thing when we spend money on ...

Also see the responses by Singer, McMahan and DeGrazia. A more classic challenge is "The Human Prejudice" by Bernard Williams. Alternatives to species egalitarianism are discussed in Donald VanDeVeer's "Interspecific Justice". Singer's views are utilitarian and thus are criticized by animal rights theorists.

Peter Singer is arguably one of the world's best-known modern philosophers. Singer has been based out of Princeton University since 1999 and has a host of awards and honors to his name.
