

Power Grid WeChat cannot be opened

Why is WeChat not running?

1. Check whether WeChat is running in your phone's 'Settings' -> 'App Management' -> 'Running'. If WeChat is not in the 'Running' list, you must re-open it. If you find WeChat is not running all the time, check whether any installed security apps have blocked WeChat, or check whether WeChat is closed due to insufficient storage. 2.

How do I troubleshoot a WeChat error?

Troubleshoot this problem by the methods below: 1. Check whether WeChat is running in your phone's 'Settings' -> 'App Management' -> 'Running'. If WeChat is not in the 'Running' list, you must re-open it.

How to keep power grid alive?

If we want to keep Power-Grid alive, we have to start working on the API ourselves to skip the authentication. Not as much personalized as roccat power grid, but you can use windows app elite discovery, which has a 'web server' feature that allows you to use your phone/tablet browser to get some extra game info and buttons.

What's missing from Powergrid?

The only thing missing is the macroed function to request docking that other apps have, like powergrid profiles used to have, but there are other windows apps out there free that can achieve this, or use voice attack for voice commands and do a dock request through voice attack instead.....
