Sears lithium battery

A battery with higher amp-hours has a larger capacity and can deliver power for a longer duration before it needs to be recharged. However, a battery with higher amp-hours is usually larger and heavier than a battery with lower amp-hours. This can make it less suitable for portable devices that require lightweight and compact batteries, such as ...

BATTERY PROTECTION FEATURES Lithium-ion battery packs are designed with features that protect the lithium-ion cells and maximize battery life. If the tool stops during use, release the trigger to reset and resume operation. If the tool still does not work, the battery needs to be recharged. **COLD WEATHER OPERATION** The lithium-ion battery pack ...
