SEATTLE -- Police are trying to figure out how a thief was able to get into an apartment building on Capitol Hill. It appears he had a master key that let him into the lobby. He then broke into an emergency lock box, and stole more keys. Residents of the Gatsby Apartments in Capitol Hill say building managers told them about the break-in.

D Square Energy LLC has a large generator services department dedicated to maintaining and repairing your emergency standby power systems. You can count on our fleet of skilled generator experts to offer you reliable backup power. So, when the power goes out, your generator system will be up and running 24 hours a day, seven days per week.

Apartment Key Fob Stopped Working . If your apartment key fob has stopped working, there are a few things you can try to get it working again. First, check the batteries and make sure they are still good. If the batteries are dead, replace them and see if that fixes the problem. If not, there may be an issue with the key fob itself.

Bedrooms each come with a bed with memory-foam mattress, under-bed storage, desk, chair, closets with standard closet shelving. Bathrooms have glass shower doors, quartz surface vanities, and shower wall panels. Your apartment home also features wood-style flooring, USB power outlets, and an in-home stackable washer and dryer.
