

Slim lithium battery

This Banshee Slim Lithium Battery with BMS offers a compact and lightweight design, enabling easy installation in space-limited applications without compromising functionality! Bolt anywhere with up to 6 bolts, even the wall.. Equipped with twin 50A & 120A Anderson Style Connectors, this makes for an excellent secondary or auxiliary battery for many applications.

The VoltX Slim Premium 12V 100Ah stands out as one of our most lightweight batteries, weighing in at just 12 kilograms. Ideal for RVs and boats, its compact design ensures easy fitting into various spaces. Encased in a robust ABS shell with flame-retardant material, this battery houses grade-A prismatic cells, ensuring a stable performance superior to cylindrical battery cells.

The 200ah slim lithium battery is revolutionizing the concept of portable power solutions. Its compact design and high energy density make it an unparalleled choice for applications requiring mobility without sacrificing power. From powering recreational vehicles and boats to providing essential energy for off-grid living, the slim lithium ...

When you need reliable power for off-road adventures, this Banshee Slim 100Ah Deep Cycle Lithium Battery will have your back. Perfect for 4 wheel drive (4WD) vehicles, effortlessly ...

The iTECH100SX 100Ah Slimline Lithium Battery has been designed and developed from the ground up to be the ultimate lithium battery for all canopy setups and Dual/Single Cab utes! Although the iTECH100SX is only 110mm wide and weighs 11.3kg, the iTECH100SX packs a serious punch for a battery of its size.

Featuring a fully integrated BMS system and 100Amp continuous discharge, this 120AH slim lithium battery is perfect for camping, RVs, and off-roading. Its slim design makes it ideal for mounting behind the rear seat of a dual-cab truck. ...

Slimline lithium LiFePO4 batteries offer a wealth of benefits over standard spec lithium batteries and traditional lead-acid batteries, or other power sources. Our slimline lithium batteries are packed tight into an ultra compact aluminium case making them perfect for behind the seat installations or alongside other tightly packed equipment.

Featuring a fully integrated BMS system and 100Amp continuous discharge, this 120AH slim lithium battery is perfect for camping, RVs, and off-roading. Its slim design makes it ideal for mounting behind the rear seat of a dual-cab truck. Sale price \$799.00 Regular price (/) Sold out Save \$-799.00. Top Seller. Sold out
