Where can I find a good solar installer in Virginia?

If you live anywhere near Central Virginia, I'll be very surprised if you can find another Solar Installer as good as Matt Powers, Peter Malander, Deven Barkley, and the entire team. Charlottesville's trusted experts in solar installation. We've been installing solar in Virginia since 2012, and are ready to help with your solar project!

How do I find a reputable solar installer in Charlottesville?

To find a reputable solar installer in Charlottesville, VA, make sure they provide a consultative, professional solar experience. If you're also purchasing a solar battery system, ensure they have proven experience with those products. EnergySage simplifies the process by making it easy for you to find such installers.

Where can I get a solar loan in Virginia?

SunPower and other similar leases are offered by a number of local solar companies in Virginia and my pick of these are: Solar loans are popular among homeowners because you don't have to have the money for the installation upfront, but you get better lifetime savings than with a leased system.

Are solar loans a good idea in Virginia?

Solar loans are popular among homeowners because you don't have to have the money for the installation upfront, but you get better lifetime savings than with a leased system. You also get to directly use incentives (tax credits etc) available in Virginia, rather than a leasing company retaining them.
