The average cost of living in Ashgabat is \$1849, which is in the top 28% of the most expensive cities in the
world, ranked 2568th out of 9294 in our global list and 1st out of 6 in Turkmenistan.

New analysis of retrofitting solar power plants with energy storage, accounting for the industry's rapidly
falling prices, suggests that prepping your solar projects today has a strong chance of being in your financial
interest. Image: ...
