

Why did SolarEdge stock fall?

It's Not Just the Trump Win Dragging It Down. SolarEdge shares were falling in the Thursday premarket after the solar stock's year went from bad to worse. The shares were down 20% to \$11.81, adding to the 22% drop in share price Wednesday. Solar stocks across the board fell by double digits Wednesday as Donald Trump took home the presidency.

Is First Solar stock a good investment?

(Photo Illustration by Pavlo Gonchar/SOPA Images/LightRocket via Getty Images) First Solar stock has fared much better than its sector peers, rising by about 13% year-to-date. In comparison, Enphase Energy stock, another solar component player, has seen its stock decline by 38% over the same period.

Is Trump weighing on solar stocks?

Trump administration is broadly expected to weigh on solar stocks. Wells Fargo and Bank of America analysts are still bullish on FSLR. First Solar stock is currently down more than 33% versus its YTD high. Solar stocks are responding negatively to Donald Trump beating Kamala Harris to become the 47th President of the United States.

Should you buy First Solar stock if Donald Trump becomes president?

Michael Blum is not the only one among Wall Street analysts who's keeping bullish on First Solar stock even though Americans have picked Donald Trump as their next president. Dimple Gosai of the Bank of America Securities recommends loading up on shares of the solar panel manufacturer as well on its domestic manufacturing base.

Will first solar make a profit?

While profits are driven largely by regulatory tailwinds and easing supply chain constraints, First Solar's more efficient thin-film solar panels and its focus on large-scale solar projects are also likely to help the company as volumes ramp up.

Are there long-term positives for the solar sector?

Overall, we think that there are multiple long-term positives for the solar sector at large and First Solar in particular. Things are getting better on the macro front. Inflation has cooled off considerably. In September, the Federal Reserve also cut interest rates for the first time in almost four years.
