

Solid dividend companies

Do dividend stocks pay dividends?

They're also not just for income investors. Many great growth stocks also pay dividends. Often, a focus on dividend growth delivers better results than chasing a high yield. Dividend stocks are stocks of companies that make regular distributions to their shareholders, usually in the form of cash payments.

Are the best dividend stocks undervalued?

To find the best dividend stocks, we turn to the Morningstar Dividend Yield Focus Index. The dividend stocks on this list are among the index's top constituents, and they were also undervalued by at least 5% as of Oct. 4, 2024. Here's a little bit about each cheap dividend stock, along with some key Morningstar metrics. All data is through Oct. 4.

Where can I find top dividend stocks?

The Dividend Kings list is a great place to find top dividend stocks. Dividend Kings are companies that have paid and raised their base dividends for at least 50 consecutive years. The Dividend Achievers -- 10-plus straight years of dividend increases -- is a trademarked property owned by the Nasdaq and another great list to research.

Can you find a quality dividend stock if a sector is underperforming?

However, even with an underperforming sector investors may be able to find a quality dividend stock. MarketBeat provides a Dividend Screener tool as a comparison service for investors. For example, investors can screen for stocks in a particular sector or industry.

What are the best dividend stocks?

American Express Financial services, such as consumer and business lending, are another place to find a handful of top dividend stocks, and American Express (AXP -3.15%) is one of the best.

Are all dividend stocks created equal?

However, not all dividend stocks are created equal, and it can be a dangerous practice for investors to simply chase yield. Many times, a company's high yield can be a sign of trouble in its underlying business. With that in mind, we've selected 10 high-paying dividend stocks with yields of 5% or more.
