Increase Mana by 1 with a 20% chance upon skill use. Increase DMG by 3% based on the no. of energy it holds. Fire Swing. ATK SPD UP

Summoners war increase energy storage to 100

area of effect increased: Prometheus" Fire

DON'T PANIC! Managing your runes might look insanely complicated, but it is said that despite its many glaring (and occasionally fatal) inaccuracies, the Hitchhiker's Guide to Summoners War: Rune Quality Edition itself has outsold the Encyclopedia Summoners War because it is slightly cheaper, and because it has the words "DON'T PANIC" in large, friendly letters as the headline.

too be honest you are probably keeping far too much junk (or not using them) if you are keeping 100 grinds a day. Certainly rune/grind storage management is a thing in this game but you may want to also look at your keep criteria too. And honestly every couple of years they seem to increase the storage of runes/grinds (and then artifacts).

Greetings from CM Serena of <Summoners War: Chronicles>!
