What are the most useful items in the forest?

Some of the most useful items players will learn to use in The Forest are bones. Used for crafting a number of items that will become necessities for survival, the bone basket is an item worth crafting early. Bones are a little less common than some items in the game, but taking the time to build a collection is worth the effort.

What are the best items to build in the forest?

Logs are used in most building blueprints and are the most commonly farmed item in the game. Traps can be a huge help when dealing with aggressive cannibals in The Forest; here are the best ones players should build. Protecting the base solely with log walls isn't effective long-term.

What items should you craft & stockpile in the forest?

Some of the early items players should craft and stockpile are explosives. These will help in beating some of the stronger enemies in the game. The Forest is a horror survival game with plenty of great weapons that can be found or crafted, including the axe set of weaponry.

How many rocks can you store in the forest?

Having a large stockpile of stones will make playing The Forest that little bit easier. The small rock holder will store up to 20 rocks, while the large will store up to 40. When first entering The Forest, the main goal for most players will be building a strong base. The easiest and quickest way to achieve this is by constructing log walls.

How do you survive in the forest?

Setting up quickly is crucial for survival in The Forest. Hunger, thirst, and enemies can be overwhelming, so choosing the best storage blueprints, such as the Bone Basket and Small/Large Rock Holders, will make the game easier. Building a strong base is essential in The Forest.

How do you get supplies in a dungeon?

Caves are the perfect location to get your hands on supplies. Supplies like cash, coins, flares, sticks, ropes, sodas, dynamite, etc. Most of these supplies will respawn when you enter the cave, minus some key items, so the caves can be used to replenish your supplies regularly.
