

What can be stored in the altar locker

What is an altar lock?

It is normally made from precious metals, stone or wood, and is lockable and secured to the altar or adjacent wall to prevent the consecrated elements within from being removed without authorization.

How long can altar stones be stored?

Once consecrated, altar stones could be stored indefinitely and issued to new parishes, especially where circumstances did not permit a solid marble altar. Metropolitans would also store large numbers of altar stones for its suffragans and newly-built side altars. Identifying an Altar's Relics Today

Should relics be placed under a fixed altar?

Although these relics are now not strictly required in the more recent rite of The Order of the Dedication of a Church and an Altar, the current Code of Canon Law enjoins: "The ancient tradition of placing relics of martyrs or other saints under a fixed altar is to be preserved, according to the norms given in the liturgical books" (Canon 1237 §2).

How do you store brass altar vases?

Be careful not to handle the brass vases without using a protective glove or cloth. The brass altar vases and the metal liners (when they are not being used) are stored on the shelf to the right of the sink in the sacristy. If there are not any flowers for a given Sunday, the vases should be removed and placed in the sacristy.

Do Altar Stones have relics?

It is likely that most altar stones from the 19th and 20th century contain relics such as these. Once consecrated, altar stones could be stored indefinitely and issued to new parishes, especially where circumstances did not permit a solid marble altar.

Does sanctum have a relic locker?

(01) The question is moot. Relic Locker is the extra/overflow Relic league stash and either will or won't be accessible from Sanctum, if not: better keep some bag space free! (02) Is the Sanctum Altar different than a Sanctum League Stash or are those the same thing (in other words, there is no extra league stash object just the altar)?
